NEXT MEETING ON 11/03

DEPOT PARKING LOT WILL BE CLOSED FOR PAVING OCT 12

- 1** Construction vehicles will be entering and exiting the south end of the construction zone.
- 2** Construction vehicles will be entering and exiting the Gateway parking area/bike path construction zone.
- 3** Construction vehicles will be entering and exiting the Bridge Street parking area/bike path construction zone and from the Depot access road. **Some time over the next two weeks there will be a half-day one lane closure on Bridge Street for paving.**
- 4** Long term parking at the Depot has been temporarily relocated to north side of the Depot. **The Depot parking lot on the south side of the Depot is scheduled to be temporarily closed for paving on Wed., October 12.**
- 5** Construction vehicles will be entering and exiting the mainline construction zone from the US-95 southbound on-ramp, the SH-200 off-ramp and storm water pond construction zone.

Motorists, bicyclists and pedestrians should proceed with caution through the work zones and obey flaggers at all times.

ACCESS ISSUES: The bike/pedestrian path accessing the Long Bridge remains open during construction.

The paved portion of the bike path south of Sandpoint is available for use as construction activities allow. Bike/ped traffic will occasionally be shifted onto the adjacent temporary path. **OBEY SIGNAGE AND DO NOT TRESSPASS ON THE PAVED PATH DURING TEMPORARY CLOSURES.**

The road accessing the depot remains open during construction. **Amtrak parking has been temporarily relocated to the north side of the depot - park according to the temporary signage.**

The pedestrian walkway at the east end of the Cedar Street Bridge is temporarily closed.

The new bike/pedestrian path along Sand Creek will not be open to the public until the entire Byway project has been completed.

Construction work hours: Monday through Saturday 7:00 a.m. to 7:00 p.m.

Public Information Outlets: **THERE WILL BE NO UPDATE MEETING IN THE MONTH OF OCTOBER**
